

ROLE: Global Marketing Senior Associate

Team	Global Sales & Marketing
Job location	Lyon, France
Submission date	March 2021
Status	Non-confidential

NOVA is a leading health tech company specialized in *in silico* clinical trials. Pioneer in the field, NOVA has developed a unique approach to help our clients take informed decisions early, improve the probability of success and de-risk their clinical R&D programs. At NOVA, thanks to our modeling and simulation of clinical trials, we bring speed and efficiency gains to Pharma and Biotech companies through a variety of applications, of which:

- Streamline target identification & secure proof of concept
- Optimize trial design & capture best responders
- Expand benefits of existing therapies to other patient populations
- Transpose Phase 3 trial results into real world & benchmark against competitors

NOVA offers:

- End to end solutions leveraging our biomodelers, data scientists, and computational power to deliver novel drug development projects.
- Jinkō®, our comprehensive clinical trials simulation SaaS platform (knowledge mapping, scoring, traceability, modern methodology)

At NOVA our people are our greatest asset and our brightest talents:

- Do what is right for NOVA, for the customers, and the patients
- Own it and lead by example
- Operate as a team

ROLE

NOVA has entered its scale-up phase and to support the build-up of our pipeline of projects with Pharma and Biotech companies, we seek to strengthen our sales and marketing team in the US and Europe. The ideal candidate has a passion for our industry, is a fast-tracker, solution-oriented, a creative problem solver, tenacious and relentless in developing and implementing marketing strategies and plans to generate customer-centric growth.

As Global Marketing Senior Associate, reporting to the SVP Sales and Marketing, you function as the global NOVA subject matter expert. This is a highly visible and impactful role requiring the Global Marketing Senior Associate to support collaboration between the sales team, the product and functional teams, regions to ensure seamless implementation of customer-specific marketing strategies.

Your MISSION

- Set up an efficient lead generation machine and define messaging, contents, events, supports, campaigns and automation that help the sales team be more efficient in new business and farming activities.
- Improve awareness of NOVA as to be the reference company for in silico clinical trials. Frame our ecosystem: market segmentation of customers, per therapeutic areas, KOLs, SMEs and strategic partners. Select best appropriate channels and plan the right campaigns to get enough traffic and increase inbound lead generation.

and main RESPONSIBILITIES include

- Support the sales team and the customer success management practice, deliver sales/CSM kit&training, recommend new products and services based on customer insight and trend analysis
- Drive market research and competitive intelligence efforts to fully understand and stay up-to-date on business needs
- Monitor and analyze internal and external data to develop business insights, implications and recommendations for action
- Establish and implement strategic and tactical marketing and communications plans designed to capitalize on market opportunities and generate demand for our services
- Support strategy and execute thought leadership program, of which, support publications strategy with our internal leaders Optimize marketing collateral (pitch & commercial decks, videos, webinars, conferences / tradeshow / events, one pagers, website content, case studies)
- Deliver multi channel marketing program to build brand awareness, provide a steady flow of sales leads
- Implement and roll out analytical solutions to measure the return on marketing investments and optimise future efforts
- Participate to social media strategy, management, and execution
- Partner with our external stakeholders and interface vendors/partners, of which Gartner, our communication and PR agencies as to execute agreed-upon plan
- Responsible for tracking and monitoring marketing budget
- Reporting achievements and evolution on a regular basis
- 25% travels to be expected

SKILLS & QUALIFICATIONS

- Bachelor's degree or equivalent in Marketing, Communications, or relevant discipline
- 5+ years' experience in B2B marketing (consulting+SaaS applied to biopharma industry)
- Strong industry insights, solid understanding of the challenges of new drug R&D

Hard skills

- Lead generation
- Content development, storytelling presentation, document creation, (simplified) case studies
- Product marketing (Branding / Creative / Design / Copy-writing, collaboration with Product User, user marketing & ambassador program)
- Digital marketing & social media strategy (marketing automation solutions, SF and Hubspot campaigns, analytics, dashboard & KPIs: Traffic (SEO-SEA), unique visitors, pageviews, average page views, time on site, bounce rate, new visits %, content downloads, LinkedIn followers...
- Event planning and management
- Google Workspace/G Suite, Data Studio, Salesforce, Hubspot

Soft skills

- Strong project management skills
- Excellent organizational and writing skills
- Self-starter, dynamic, proactive
- Able to work in a global environment
- Excellent communication and influencing skills in English. Fluency in other languages is a plus
- Skills in the ability to maintain demanding timelines, work creatively and effectively in a fast-paced, entrepreneurial environment
